THIS DEPARTMENT WILL TREAT OF THE WORLD'S SPORTS EVERY SUNDAY AND THURSDAY.

On the Local Field.

The football season was formally opened by the Punahou-Kam game on Monday and from now on through the fall, the lovers of the college game will have their innings. It was rainy but from the crowd of spectators that stood through the downpour it looked as though this would be a banner year for the game on the Islands. There is no doubt but that football is the finest game known for a young man and everything possible should be done to encourage it here.

On Saturday at Punahou the High School will pit their strength against the sturdy team of Oahu college. This will be the second game of the league and it promises to attract more interest than the game between the Kams and Punahous. The High School has an exceedingly strong line-up and with Capt. Lightfoot to lead the boys in their clash for supremacy on the field, it should give a good account of itself. If Punahou can win this game it will have a good chance for the league championship.

It is to be hoped that the Oahu team will improve their team work. Their punting department could also be improved upon. Judd of the college team is a very good man and will most likely be seen in the P. A. C. line-up of this year. There is some talk of Lightfoot joining Benson's squad after the school league is over. Meyer of the Kam team is a hard hitting back and if he would only tackle lower and harder he would make an ideal player.

Dawes, a new man from Illinois, will captain the H. A. C. team this season. He will most probably play quarterback or half. He has had much experience with the pig skin and will show up in good shape in play.

Frank Hatch, who has played on the P. A. C. team for the last three seasons, will have that team in hand this season. He will act as field captain and is capable in every respect to hold down that position.

Ben Clark, the old familiar quarterback, will possibly be seen with the Mailes. This little "hurry up man" is valuable to the team and if Ben should fail to play the team will suffer a loss that would be hard to fill.

The Baseball park has been roped and placed in fine condition for the coming games. This field will afford an ideal place on which to play. Last year there was no grass and the dust that came from the field made it very unpleasant both to spectators and players.

Navy Defeats Princeton, 10 to 9.

For the first time in the history of football the Annapolis team defeated the old Nassau eleven on the Annapolis field, Oct. 15th. There were wild scenes when the sailors won.

West Point Humbles Yale.

WEST POINT, N. Y., Oct. 22.—West Point defeated Yale to-day in their annual football struggle, 11 to 6. It was the first time the army has ever won from Yale.

The soldiers' two touchdowns were the results of long runs and quick work in taking advantage of their opponents' mistakes.

In the first half after Yale had failed to gain, Hill, breaking through the Yale line, blocked a punt on the visitors' 25-yard line and with the whole Yale team at his heels ran to the goal posts and across the line for West Point's first score. The goal was kicked by Graves. Yale soon evened matters, however, by plunging through the cadets' line almost at will, carrying the ball 45 yards to a touchdown. Shevlin kicked a goal.

CAMBRIDGE, Mass., Oct. 22.—Two brilliant end runs by Captain Hurley and another by Nichols, backed by a sturdy defense at nearly all times, enabled Harvard to defeat the Carlisle Indians in the Stadium to-day by a score of 12 to 0.

ITHACA, N. Y., Oct. 22.—Cornell de-

feated Franklin and Marshall to-day by a score of 36 to 5. Cornell was heavier than the visitors, but lost the ball frequently on fumbles.

Caught on the Fly.

There is a rare article of baseball being handed to the fans who journey to Kapiolani Park on Sundays.

reason being that the shock of a victory over the redoubtable veteran is too much for any ordinary golfer's nerves. And sure enough, Orniston went down in the following round, being outplayed by a Brooklyn schoolboy, Fred Herreshoff, who entered for the championship from the Ekwanok Club, in Vermont, his summer home. Golf is a game for all ages, and several lads in their teens have come well to the front during the present year.

The quartet left in for the semi-finals included young Herreshoff; another schoolboy, W. T. West, of Philadelphia; Dr. Fredericks, a well known golfer from Oil City; and H. Chandler Egan, the Western amateur champion. The two schoolboys met, and Herreshoff easily defeated the Quaker City lad; Egan put out Fredericks, and Brooklyn and Chicago were left to fight for the coveted title and gold medal. The prize went to the older and more experienced player, who won by the decisive margin of eight up with six to play.

The new champion has been in the front rank of American golf for several seasons. He has twice won the Western championship, and once the intercollegiate. With his cousin, Walter Egan, he has long been a tower of strength to the Harvard team, of which he is now captain. Egan is a very close friend of Chas. Hartwell, the local golfer.

The Ring.

Matchmaker Jimmy Fox of the New Honolulu Athletic Club has secured the

signatures of McFadden of San Francisco and Castro of Honolulu for the main event to take place on the 19th of this month. This will be a championship affair, as the men will box at the featherweight limit. Castro by defeating Jackson is the champion of the Islands. McFadden comes from a family of fighters. He is a typical fighting machine. McFadden's brother, the "Kid," was at one time the champion of the world in his class. Jack is a "ringer" for the "Kid" and the two have had many funny incidents on account of their likeness.

Yanger Fights a Draw.

MILWAUKEE (Wis.), Oct. 21.—Benjamin Yanger of Chicago and Maurice Sayers of Milwaukee went six rounds to a draw before the Milwaukee Boxing Club tonight. The bout was fast and furious from start to finish. In the fourth round Yanger had Sayers hanging on at the bell and seemed to have a good lead. Sayers rallied in the fifth and got even honors. In the sixth, during a hot mix-up, Sayers landed a hard right on Yanger's jaw, nearly unbalancing him. This blow earned the Milwaukee boy a draw. The men were fighting hard when the gong finished the bout.

O'Brien Knocks Out Jeffords.

BALTIMORE (Md.), Oct. 21.—Philadelphia Jack O'Brien knocked out Jim Jeffords of California in the third round of their fifteen-round bout tonight before the Eureka Athletic Club. Continuous body blows caused the Western man to succumb. The men fought at catch weights.

Gans and Britt have met and the title of the lightweight championship has been settled. The fight was unsatisfactory as the decision was given on a foul. Britt had the fight well in hand when he struck Gans who was on his knees. It is very likely that Britt was over-anxious. This contest created much interest in Honolulu and many sports awaited the cable news giving the result.

These men will probably be matched again. Gans and Britt had quite a time in selecting a referee and upon agreeing upon Graney, a new arrangement was entered into. Gans's manager said to Britt:

"I will accept Graney on one condition. There must be no yelling from your brother's corner of the ring and there must be no throwing of water on a man when he is dizzy or is knocked down. Your brother has a second named 'Spider' Kelly, who makes more noise than a regiment of men. He seems to want to get the gallery worked up so as to influence the referee. Now, before I abide by the selection of a referee I want a clear understanding, and I will hold Mr. Coffroth responsible. I want a pen-

defeating the Aala team on Sunday; the Soldier boys stand a good chance for the winter championship. If they should win next Sunday the two teams would stand tie for first honors. Anderson of the Aala's and Gephardt of the Artillery team are by far the two best pitchers.

Sunday the Pacifics will meet the Punahous and the Makikis will meet the Artillery.

Following is the standing of the teams:

	P. W. L.	Pct.
Aala	9 7 2	77.7-9
Artillery	8 6 2	750
Makiki	9 6 3	66.6-3
Pacific	8 3 5	37.5
H. I. W.	8 2 6	250
Punahou	8 1 7	12.5

The Healan and Myrtle baseball game is off. The grounds having been torn up for football, it is impossible to play ball on them.

The Twilight Baseball team will meet the Hawaiian Carriage team Sunday morning on the Makiki field.

Indoor Baseball.

A Punahou team is organized for the Y. M. C. A. indoor baseball league, so the schedule is changed as follows:

Nov. 5—Iolanis vs. Diamond Heads.
Nov. 12—High School vs. Punahou.
Nov. 19—Diamond Heads vs. High School.
Nov. 26—Iolanis vs. Punahou.
Dec. 3—High School vs. Iolanis.
Dec. 10—Diamond Heads vs. Punahou.

The New Golf Champion.

It is a curious thing that the defeat of Walter J. Travis, thrice amateur golf champion of the United States, and once of Great Britain, should be more of a surprise than the victory of H. Chandler Egan, of Chicago, the American champion of 1904.

The defeat of Travis happened in the second round of the tournament, which took place on the Baltusrol links, near Short Hills, New Jersey, in September. His conqueror was George Orniston, of Pittsburgh, who was born in Scotland, but who came to America as a boy and learned most of his golf here. There is an adage that the man who beats Travis loses his next match—the

Underwood typewriter received
grand prize St. Louis

That visible typewriting machines are growing in popular favor is an undoubted fact. It is rarely one can find a person who is not willing to admit that visible writers are time and labor savers and they appeal particularly to the large number of typewriter users who are not professionals or experts and who as a consequence can work to much greater advantage by being able to see what they are doing.

Pearson & Potter Co., agents here for the Underwood received recently a shipment of 13 machines all of which were disposed of within three days after arrival.

The fact that the Underwood received the Grand Prize at St. Louis shows that it is considered the leading typewriter of the world by the best experts and explains why it is that its popularity is so great that the factory have been unable to keep up with their orders.
